

# KWS SISKIN

Winter Wheat

KWS Sterling x CPBT W134

SEEDING  
THE FUTURE  
SINCE 1856

## #SuperSiskin - with great versatility comes great opportunity

DYNAMIC  
WHEATS

- Excellent *Septoria tritici* at 6.5
- Superb physical grain quality
- Vigorous growth habit with wide sowing window

KWS Siskin is so versatile, it can grow anywhere across the farm. Combining high yields, exceptional hagberg, strong protein (12.7% from milling trials) and its positive ukp status - KWS Siskin opens multiple end markets for farmers, unlocking premiums for their shed load of grain.

In addition it is consistent across soil types and performs well as both a first and second wheat. KWS Siskin has one of the best *Septoria tritici* scores of 6.5 on the List and scores high for mildew and yellow rust, thus highlighting the disease profile farmers can expect from KWS Dynamic Wheats.
