

KWS RESOLVO FAO 170

Early

In Your Field...

KWS RESOLVO is an exciting hybrid with all-round agronomic stability. It delivers high starch output, early ripening and high dry matter yields for your benefit.

The key to unlocking higher starch yields!

Characteristics / Quality

- Great DM yield (18.0 t/ha DM)
- High grain:stover ratio provides an energy dense silage
- Balanced starch content (31.6%) ideal for moderate to high (50-70%) ration inclusion for both dairy and beef finishing
- Excellent vigour (7.0) for all soil types allows an excellent start to the growing season
